

## The Apostle's Creed

### I believe in.....forgiveness of sins

Ephesians 1:7 In Him we have redemption through His blood, the **forgiveness** of sins, in accordance with the riches of God's grace.

Ephesians 4:32 Be kind and compassionate to one another, forgiving each other, just as in Christ, God **forgave** you.

Psalms 130:4 But with You, O Lord, there is **forgiveness**....

**I believe in forgiveness of sins, the resurrection of the body, and life everlasting.** Not just the concluding section of the creed...but the conclusion of its purpose

Forgiveness is often neglected because:

- we minimize sin
- we change the rules
- we do comparative analysis

Forgiveness matters because it Cost so much-

- It cost God
- It cost us

Benefits of forgiveness:

- forgiveness restores our relationship with God
- forgiveness helps us physically and emotionally
- forgiveness is good for relationships-forgiving one another as God forgave us
- resurrection
- life everlasting
