With Gratitude for Being Contagious

Notes

1 Thessalonians 1:2-5 (NIV)

2 We always thank God for all of you and continually mention you
in our prayers. 3 We remember before our God and Father your
work produced by faith, your labor prompted by love, and your
endurance inspired by hope in our Lord Jesus Christ.

4 For we know, brothers and sisters loved by God, that he has
chosen you, 5 because our gospel came to you not simply with
words but also with power, with the Holy Spirit and deep
conviction.

Why wait to give thanksgiving for people?

Things I am grateful to you for:
- your work produced by your faith
- your labor prompted by love

How can we keep going on?
- When the gospel is not with words but with power
- and Deep conviction
